**RE:** **LARGO DRIVE IMPROVEMENTS @ HOPE STREET  
PUBLIC INFORMATION MEETING - OCTOBER 24, 2013**

Dear Owner/resident:

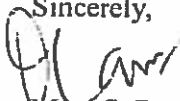

Attached is a copy of the Legal Notice and a Display Advertisement to be published in the Advocate for **IMPROVEMENTS TO LARGO DRIVE @ HOPE STREET** project. The Information Meeting will be concerning the City's recommended concept plan for the proposed improvements on Largo Drive approach to Hope Street. The proposed improvements of the project will widen Largo Drive approach to Hope Street to improve safety by providing storage for left turn/right turn traffic approaching Hope Street; a new signal installation at the railroad crossing with signal revisions to improve traffic flow and safety; and improved pedestrian access on Largo Drive. The proposed improvements will significantly improve traffic safety and operation. The estimated project cost including design, right-of-way acquisition, and construction cost is one million and five hundred thousand (\$1,500,000) dollars.

The City of Stamford will conduct a Public Information Meeting concerning this project. **The Public Information Meeting will be held at 7:00 P.M. on Thursday, October 24, 2013 in the Stamford Government Center Cafeteria located on the 4th Floor of 888 Washington Boulevard, Stamford.**

The meeting place is accessible to the physically impaired. To arrange for special accommodation to access the meeting room to attend this Public Information Meeting and/or requiring an interpreter/translation services may make arrangements by contacting Ms. Vivienne Lewis at (203) 977-4189 at least five (5) working days prior to the Public Information Meeting.

You can distribute this information to your neighbors and neighborhood businesses to invite them to the Public Information. Anyone interested in reviewing the concept design plans may do so by contacting me at (203) 977-4237. Written comments are invited and should be forwarded to my attention, no later than 4:00 P.M. November 21, 2013. Thank You.

Sincerely,

  
Mani S. Poola  
Traffic Engineer
